**Dear Team Zero ++,**

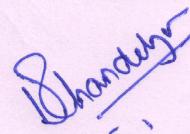

Dr. Vishwanath Karad MIT World Peace Universities, Faculty of Engineering and Technology (FoET) pleased to put into its record the efforts taken by you for the exceptional contribution in the World's Biggest Open Innovation Model **Smart India Hackathon 2020** organized by MHRD, AICTE, MHRD's Innovation Cell, Persistent and i4C. Your team declared as a **Winner of the First Prize of ₹ 1,00,000** (One Lakh only).

We are sure, your solution to **Ministry of Jal Shakti (Central Ground Water Board)** for Groundwater Management - Data Analytics to provide complete solution for groundwater management for the country will be implemented in near future throughout India.

**Congratulations for your glittering Success!**

You have earned the appreciation from all the Head of School and the Dean, Faculty of Engineering and Technology. As a Dean of FoET, I am glad to present this appreciation letter for your sincere efforts and bringing another feather of honor and prestige to FoET.

***We would like to see such exceptional and remarkable efforts in the future endeavors to add aura to the University.***

**Prof. Dr. Prasad Khandekar**  
Dean, Faculty of Engineering & Technology
